

Up Lake Adventures (hereafter referred to as ULA) - PWC Rules Standards

The terms and conditions presented in this document apply between ULA and those persons registering for and participating in ULA competitive Events (“Competitor”). “Events” include both “Tournaments” (meet-up competition) and “Challenges” (virtual, online-only competition where participants do not congregate). The pronouns “he,” “him,” “himself,” and “his” herein are used as generic, gender-neutral terms and do not restrict or confirm access based on sex.

Each ULA event is a CPR (Catch-Photo-Release) contest in which each Competitor catches his own fish in places, during times, and by procedures permitted in all pertinent rules and regulations, digitally photographs them according to the standards described herein, and submits the lengths and photographs for verification. These Competitions are conducted according to ULA Competition Rules found in two documents:

1 - ULA Competition Rules Standard (this document) cover about 90% of the terms, conditions, and standards common to all ULA Events.

2 - Event-specific rules located on the ULA Event Page, which includes details such as dates, locations, times, eligible water boundaries, restrictions, and exceptions to the ULA Rules Standard,

Together, these two documents comprise the *ULA Competition Rules*. As a condition of participation in any ULA Competition, the participating angler (“Competitor”) agrees to read, understand, and comply with all ULA Competition Rules. Failure to comply will result in penalty, which may range from points deductions to submission denial or disqualification.

For each Event, the ULA Event Coordinator and/or Tournament or Series Director (“TD”) will be identified on the ULA Event Page. The Tournament Director has responsibility for interpretation and enforcement of the ULA Competition Rules and may amplify or clarify them to make them more relevant or complete. Tournament Director decisions may be disputed, as described in Section 17.A. ULA management will review the Tournament Director’s decisions and revise the ULA Competition Rules appropriately. Most recent ULA Competition Rules Standard revisions will be summarized in a Revisions Log (above) and highlighted in red in the body of the rule’s standards. Announcement of the rule changes will also be posted as soon as possible, generally within fifteen (15) days prior to implementation on the ULA Website www.uplakeadventures.com

1. Participation and Eligibility

A. **Professional Fishing Guides** may register and compete in Events, providing they do not guide-for-pay on Eligible Water within 10 days prior to the Event's start-of-competition date.

B. **Event Registration** — All ULA Competitions are conducted using a Tournament Management System ("TMS"). Each angler who wishes to participate in such an Event must create a TMS user account before the first day of competition and must sign up for the Event and pay the entry fee on the TMS, as specified on the Event Page.

C. **Entry Fees** — Entry Fee amounts, administrative surcharges, registration deadlines, late fee exceptions, and refund or transfer restrictions are specified on the Event Page for each Competition.

No Satisfaction Guarantee — Competitor understands and agrees that payment for the Event does not secure a guarantee or promise of satisfaction.

Competitor's failure or inability, for any reason except as otherwise provided herein, to participate in any or all the activities of the Event does not relieve or suspend the Competitor's obligation to make all payments required by ULA Rules on a timely basis, nor entitle the Competitor to a refund or credit, except as provided below.

D. **Payment** — Competitor agrees that once an Event Registration is submitted, the terms and conditions of the ULA Competition Rules constitute an Agreement that is a legally binding and enforceable obligation of Competitor.

E. **Competitor's Right to Cancel** — Any competitor wishing to cancel an Event Registration may do so by following ULA's Cancellation Policy that was agreed to upon registration.

Unless otherwise specified on the Event Page, registration cancellations dated more than 14 days prior to the Event incur no administrative fee, and any registration cancellation dated 14 days or fewer before the Event shall result in the forfeiture of registration fee.

Once an Event has started, no cancellations will be accepted, and no refunds will be provided.

ULA is not responsible for any refunds of expenses related to travel or lodging reservations or other payments involving third parties.

F. **Pre-Tournament Check-in** — Each Tournament Competitor is responsible for reviewing the Schedule of Events on the Event Page for pre-event check-in times and location. Each Competitor must check in with official ULA Competition staff at the time and place designated in the Schedules of Event for verification of eligibility, signing of waivers if required, and rules acknowledgement. Late check-in and registration process (if permitted), event-specific instructions, and Event schedule are specified on the Event Page.

G. **Captains Meeting Participation** — Tournament Competitors are required to attend an on-site Captains Meeting or view a recorded "Virtual" Captains Meeting Webcast, as stipulated on the Event Page. Failure to either view a Virtual Captains Meeting or attend an on-site Captains Meeting results in a Competitor's disqualification from the Event.

2. Fish Eligibility

A. *Species*—For "Bass" ULA Competitions, only "smallmouth bass and largemouth bass" are eligible for scoring. That designation includes the two most common species (Largemouth Bass – *Micropterus salmoides*, Smallmouth Bass – *Micropterus dolomieu*.)

For Competitions involving other species (e.g., Hybrid Striped Bass, Striped Bass, Walleye, Catfish, Musky, Pike) the species of fish permitted for scoring will be specified on the Event Page. Submission of a photo of an ineligible species will result in denial of the photo.

B. Length—The minimum length of bass scored in competition is 12 inches. Photos of bass shorter than the minimum will be denied.

C. *Condition*—Fish must be hooked in the mouth or jaw. It may not appear to have snagged, snatched, or hooked *only* in the body or a fin. If hooked in the mouth, a second treble hook that snags a gill plate, fin, or body is considered incidental and does not eliminate that fish.

Fish must appear to be alive. If fish appears to be dead, mutilated, frozen, mangled, or otherwise damaged, or it appears to have been mashed, mauled, or otherwise altered, the photo will be denied.

D. *Caudal (Tail) Fin*—The tip of at least one lobe of the caudal (tail) fin must be in contact with the measuring board. (The Ketch Cradle, is not considered to be part of the measuring board for measurement purposes) If the bass' entire caudal (tail) fin is lifted away from the measuring board so that neither tip remains in contact with the board, the photo will be denied.

E. *Eye*—The fish's left eye must be visible in photo. Violation will result in denial of the photo.

3. Competition Period

A. Competition start and end dates and times are stated on the Event Page. Any Competitor who launches (i.e., places his watercraft on the water, occupies it, and goes under way) before the stated "Earliest Launch" time or begins fishing before the official Competition Start Time on any day of competition will be disqualified from the Event. When launch site congestion prevents others from launching safely, Competitors may place their watercraft in the water, occupy them, shove off and then stage (float, drift, or anchor) in the immediate area until the official "Earliest Launch," at which time they may proceed under way. Under no circumstance will a fish photographed outside of the official Competition Start and End times be considered for scoring.

B. **Check-in**—Tournament Competitors must be in the Report-in Line at Tournament HQ by the time specified on the Event Page. Failure to be in or through the Report-in Line by that time will result in disqualification from the Event.

4. **Pre-fishing** — Pre-fishing is any activity that takes place on eligible water defined in the event-specific rules. *Activity* would include fishing, scouting, and graphing. At the end of the pre-fishing time the angler must be off the water. Pre-fishing in eligible water is permitted on the day prior to Tournament Competition until the time specified in event-specific rules on the Event Registration Page.

5. Competition Area

A. Competitive fishing is allowed only on publicly accessible waters within the geographic area designated on the Event Page as "Eligible Water." Photos of fish caught outside of eligible water boundaries will be denied.

B. Competitors may only launch from designated launch ramps defined in the event-specific rules.

C. Competitors are not restricted to fishing where they start out each day, but are permitted to relocate to other Eligible Water during tournament hours.

D. Watercraft must not be anchored in such a position as to prevent or block access for other watercraft or powerboats. Violation will result in disqualification from the Event.

E. Fish caught in eligible water while wading or walking on the shore are not eligible for submission.

F. Competitor must navigate his watercraft to the fishing location under its own power.

G. Competitor must always remain within sight of his watercraft during competition, and the watercraft must be visible in every fish photo submitted. Any Competitor who goes out of sight of his watercraft for any reason (e.g., restroom break, to seek or render aid, or to report an emergency) must cease competition fishing and resume it only after re-boarding the watercraft. Violation will result in disqualification from the Event.

6. Cooperation and Assistance

A. Up until the end of the established pre-fishing period, competitors may fish with and receive direct assistance from other anglers and professional guides on the Eligible Water, except as restricted in Rule 6.B. and 6.C., below.

B. Within 10 days prior to the Event, a Competitor may not fish on Eligible Water with, nor receive expert advice from, a professional fishing guide who receives payment for those services. Violation will result in Competitor's disqualification from the Event.

C. Before and during the event, competitors may (i.) share gear, tackle and equipment, (ii.) assist in photographing a fish for submission, and (iii.) communicate with and fish in proximity to other people, including other Competitors (except Professional Fishing Guides, as stipulated in Rule 6.B., above); however, Competitors may not receive assistance in catching fish that are photographed and submitted for scoring, including boat positioning, casting, retrieving, hooking, playing, or landing a fish. Violation will result in Competitor's disqualification from the Event.

D. Competitors may not submit photos of fish if, at any time from cast to landing of the fish, the competitor or watercraft was in physical contact with another watercraft or person, except an observer occupying the competitor's PWC. Violation will result in denial of the photo.

7. Fishing Tackle, Equipment, and Methods

A. All fish submitted for score must be caught live by the Competitor who submits them for scoring using only equipment and legal methods that comply with all sportfishing statutes and regulations of the states and body of water in which they are taken. Competitors are responsible for research of and compliance with all applicable fishing and boating regulations. Snatching or snagging fish is not permitted. When visually fishing a bed for spawning bass, to be admissible all bass must be hooked inside the mouth. Violation will result in disqualification from the Event.

B. All fish must be caught by the Competitor on rod, reel, line, and hook with artificial lures only. No traps, snares, set lines or other methods of fishing other than rod, reel and line are permissible, even if legal under state game laws. Violation will result in disqualification from the Event.

- C. Acceptable measuring boards:
 - ULA Tournament Series include the *Hawg Trough* manufactured by Hagen's, the aluminum *Ketch Products Measuring Board*, the *Ketch Karbonate* and the *Ketch X measuring board*.

Measuring boards may be shortened only by removing inches from the upper end (opposite the fence). However, it may not be broken, snapped, or cut apart and then reassembled at any point between the two ends. Violation will result, at minimum, in denial of photo.

A crack that does not separate the measuring board into pieces and does not affect the measuring board's accuracy may be repaired and reinforced for use.

A slight flex in a measuring board resulting from a fish's weight is allowed; however, Competitors are prohibited from deliberately flexing or deforming a measuring board by exerting pressure or reshaping it. Any modification of a measuring board that results in misrepresentation of a fish's actual length is grounds for a competitor's disqualification from the event and may result in subsequent sanctions and penalties as described in Rule 11.

D. Competitors may share measuring boards.

E. A break of the measuring board's fence may be mended for use if the repair is rigid, flat and at a right angle to the measuring surface. The mended measuring board must be submitted to the Tournament or Series Director, personally or by two or more emailed photographs that clearly show (i.) the mended area and (ii.) a side view of the measuring surface and the fence. Violation will result in denial of photo.

F. Each competitor must use a mobile phone with camera or a digital camera or video camera capable of producing still photos with memory card and/or download cable to submit digital photographs.

When a Competitor's smart phone becomes inoperable or is lost, he may share smart phones with other Competitors, provided each Competitor logs into his own TMS account to submit photos of fish he caught. Competitor under the same circumstances may share digital cameras, provided each Competitor can clearly and positively identify photos of the fish he caught. Violation will result in denial of photo.

G. Only artificial lures and biodegradable artificial lures may be used. No live bait, preserved bait, or prepared bait will be permitted during competition. Violation will result in disqualification from the Event.

H. Only ONE casting, spin-casting, spinning, or fly rod and reel may be in use at any one time. A rod and reel are considered to be "in use" when a lure attached to it by a line is in or on the water. A hung lure (one snagged in an overhanging tree) that is not in or on the water is not considered in use and the attached rod and reel may be set aside while another is in use.

I. Nets and grippers (e.g., Fish Grip, Boga-Grip) may be used for landing fish during tournament competition, but grippers must not remain attached to the fish in photos. Violation will result in denial or disqualification of the photo.

J. If a Competitor breaks his line while setting the hook or retrieving a fish, he is allowed to make an attempt with the rod being used or by hand to secure the line and land the fish to be counted as legal. He may NOT hook the line with another lure, rod and reel, or other device. If a Competitor loses his rod and reel while landing a fish, he MAY use another rod and reel to retrieve the lost outfit. If after retrieval, the fish is still hooked, it may be landed, photographed, and submitted as a legal fish. Violation will result in disqualification from the Event.

8. Watercraft & Propulsion

A. The ONLY watercraft acceptable for use in ULA Competition are those manufactured and registered as Personal Watercraft (PWC) and classified as a "Runabout Series" where jet is the primary means of propulsion. Stand-Up types are not permissible. Watercraft specifically approved in advance of competition by ULA Management are:

- BRP - Sea-Doo
- Kawasaki - Jet Ski
- Yamaha - Waverunner
- Honda - Aquatrax

B. It is the competitor's responsibility to understand any regulations relating to local restrictions such as emissions, and allowable watercraft on tournament water.

Use of watercraft in competition other than those listed above as acceptable, or exceptions will result in disqualification from the Event.

C. Competitors must comply with all boating regulations pertaining to jet-propulsion watercraft registration, use, and operating restrictions for the designated fishing area. Violation will result in disqualification from the Event.

D. Towing, transport, or relocation assistance from another watercraft, including “mothershipping,” is NOT permitted except in cases of emergency, as when pulling a disabled PWC from a danger zone or restricted area. Once the emergency has ended, the Competitor may resume fishing only if the watercraft was pulled no more than 100 yards from the danger zone. Violation will result in disqualification from the Event.

E. Trolling (i.e., lure(s) attached to a single rod and towed behind a watercraft while underway) is permitted in ULA Competition.

9. Photo Standards—Digital photographs of each fish submitted to judges for scoring must meet these criteria:

A. *Unique*—Each digital photo submitted in each Event must be of a different fish. Subsequent digital photos of the same fish submitted by the same Competitor in an Event will be denied.

B. *Visible/Legible*—Each photo must be in sharply focused and clear enough for a judge to:

i. Verify the correct Identifier Form and Event ID Code. Inability of the judge to verify will result in denial of photo.

ii. Verify the fish’s condition. Violation will result in denial of photo.

iii. Verify the fish’s length. Judge will score fish at the greatest length of which he is certain.

iv. Verify whether the bass’ jaw or lip is in contact with the measuring board fence. Inability of the judge to verify will result in a penalty of 1 inch.

v. Except where covered by hand or fingers, the entire fish, from its mouth/jaw to the tip of its caudal (tail) fin, must be visible in photos. If either end is covered or cropped off, the photo will be denied.

C. *Centered*—Camera lens positioned directly over the center of the fish’s body, which contributes to accurate measurement by judges. Photos taken at a low angle so as to obscure an open mouth may be denied or penalized at the Tournament Director’s discretion.

D. *First generation*—Each digital photo must be a first-generation image (not a photo or screen-shot of another photo). Violation will result in denial of photo.

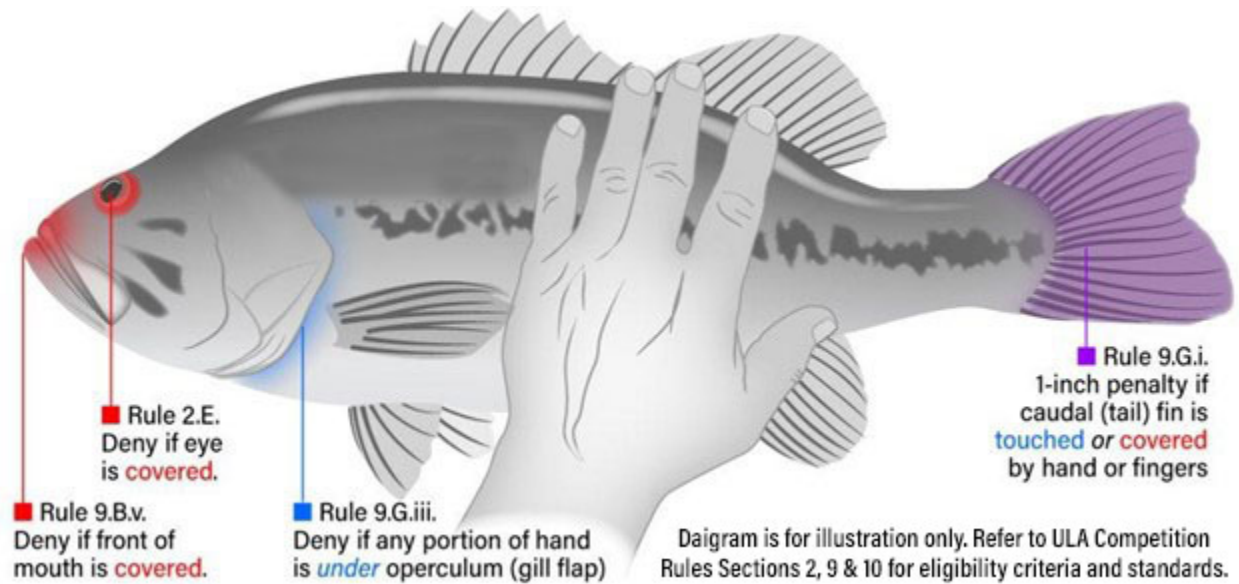

Photos submitted for scoring that, in judges’ opinions, contain evidence of a possible disqualifying infraction—including photos that appear to have been cropped or modified (e.g. image enhanced or filtered) in such a way as to obscure infractions—will be accepted with a score of 0.01” and a note indicating the nature of the infraction is emailed to the Competitor. The Tournament Director will review all such photos and will make any disqualification ruling. The Tournament Director may also contact Competitors to request submission of original un-cropped, un-filtered photos for further review and verification. Failure by Competitors to respond or refusal to submit the original photo will result in denial of the photo.

E. *Identifiable*—Official ULA Identifier Form above, below, or beside the fish (not covering any portion of the fish, unless attached to the Competitor’s hand or arm). Neither a hand-drawn form nor an image of the ULA Identifier Form on a smart phone are permissible. Violation will result in denial of photo.

F. *Background*—Competitor’s watercraft clearly visible in the photograph. Violation will result in denial of photo.

G. *Hand Position*.

i. In bass competition, hand or finger(s) may be in contact with the caudal peduncle (fleshy, scaled part of the bass’ body at the base of the caudal fin) but not covering or touching any portion of the caudal (tail) fin. Violation will result in a 1-inch deduction in score.

ii. No portion of a hand or finger may be under the fish's operculum (gill flap or cover). Violation will result in denial of photo.

H. Mouth

i. Bass' lip or jaw must be in contact with measuring board fence (bump board, upright), and the fence must be visible in the photo. Violation will result in denial of photo.

ii. In bass fishing competition, a closed mouth is preferred for uniformity of measurement. If judge considers the mouth to be open 1/4 inch or more, even if it is structurally unable to close, a one-inch penalty will be assessed.

I. Not "In-possession."

- a. In most states, though not all, unless a fish is secured by a restraint device or is placed in a holding container, state regulatory agencies do not consider it to be "in possession" by Competitors, so states' minimum length regulations do not apply for photo submissions. If Event takes place in a state where photographing a fish constitutes "possession," and a photo is submitted of a fish that does not comply with state size limits, the photo will be denied. (Refer to regulatory compliance, Rule 7.A.)

10. Scoring

A. Fish length is determined by its caudal fin (tail fin) touching or crossing the manufacturer's quarter-inch mark (e.g., ridges, grooves) on the measuring board. If it falls short of a 1/4-inch factory mark, the length is rounded down to the next lower 1/4-inch mark that the bass' caudal fin touches or crosses. In reviewing photographs, judges will visualize as accurately as possible where a 1/4-inch factory mark would be if it extended the full width of a board and use that imaginary line to determine a fish's length.

B. If any portion of a bass' caudal (tail) fin extends off the edge of a Measuring Board surface, the score will be determined by the highest 1/4-inch measurement reached or crossed by the portion of caudal fin on the Measuring Board. Any portion of the caudal fin extending off the edge of a Measuring Board is not considered in scoring. Alignment aids and attachments to a ULA-approved measuring board (e.g., a cradle attachment for the Ketch measuring board) will not be considered part of a Measuring Board surface when determining a fish's length.

C. Tournament ranking, contingency awards, Angler of the Year Points, Challenge Points, and Championship qualification shall be determined by the aggregate length of each Competitor's photos remaining on the Leader Board when judging has concluded, and the Dispute Period has closed. Unless otherwise stipulated on the Event Page:

i. In one-day tournaments the scores of the five longest fish on the Leader Board when judging is complete will be combined to determine the aggregate score.

ii. In two-day tournaments, the scores of the five longest fish of Day 1 and the five longest fish on Day 2 on the Leader Board when judging is complete will be combined to determine the aggregate score.

D. If a Competitor's photo is denied by a judge after end-of-competition, it may be automatically replaced by a previously submitted and auto-culled photo; however, no Competitor may submit a replacement photo after end-of-competition time.

E. In the event of a tie in score, the tied competitors' longest (highest-scored) fish are compared, and the tie breaks in favor of the competitor with the longest (highest-scoring) fish. If the longest fish are equal, the second-longest fish are compared and determine which competitor wins the tie. If the second-longest are identical, the process repeats for each of the remaining fish. If all the tied competitors' highest scoring fish are identical, then the tie breaks in favor of the competitor whose last Leader Board photo was uploaded earliest.

F. ULA judges apply the following scoring criteria to adjust measurements, approve or deny photos, and to penalize photos by deducting points (length) or disqualifying a Competitor.

11. Penalties

A. In the event of a rule violation, the Tournament or Director may impose such penalties as deemed appropriate, including without limitation, the following:

- i. Reduction of score (length) as described above or determined by the Tournament or Series Director
- ii. Loss of catch for the day or up until the violation has been remedied
- iii. Disqualification from the tournament in question
- iv. Any additional penalties determined by the Tournament or Series Director including but not limited to monetary fines and/or reduction of Competitor of Year points.

Subject to the dispute and appeal processes set forth below, the Tournament Director's decisions on violations are final.

B. Following a review of evidence, a determination by the ULA Tournament Director and/or Chief Operations Officer of cheating or conviction of fraud will result in permanent suspension from all PWC Bass Fishing competition and ULA-affiliated Events, and series, and revocation of all ULA Social Media privileges. The findings will be published on a password-protected ULA Members-only web page.

C. Competitor acknowledges that (i.) the use of polygraph tests may be necessary to verify compliance with rules and to settle disputes and (ii.) entry constitutes acceptance of this requirement and agreement to abide by its conclusion. Refusal by a Competitor to submit to a polygraph test is grounds for immediate disqualification from the ULA Event and prohibition against future participation in any ULA-affiliated Event. Results of a polygraph test will not be the sole determining factor in a ULA Management Review of a Competitor's eligibility for awards and qualification for future participation but may be one of several factors considered in such review.

D. ULA Tournament or Chief Operations Officer shall

- i. Have the discretion to determine the need for a Polygraph examination.
- ii. Be responsible for (i.) selecting an independent expert to administer the polygraph test, (ii.) establishing, in consultation with the expert administrator, the scope of the questions that may be asked during the test examination, and (iii.) interpreting the results.
- iii. Have sole responsibility selecting the location, date, and time of the test nearest ULA headquarters with respect to all concerned parties schedule and travel cost.

E. The Competitor shall:

- i. Make himself/herself available at the location selected by the Tournament Director or Chief Operations Officer.
- ii. Cooperate in all respects with such test.

F. Competitors may be selected at random to undergo polygraph examinations during or following ULA competitive Events.

12. Awarding of Prizes

A. Prizes and numbers of positions paid out are addressed on the Event Page. Amounts paid per rank are subject to change based on participation (lower value for fewer entries and higher value for more entries) and sponsor provision.

B. Prizes will be processed after all photos submitted for scoring have been judged, the results reviewed by a separate panel, and disputes have been resolved.

C. Product prizes (e.g., PWC'S, trailers, fishing rods) may require additional processing or delivery time. This allows competitors some flexibility in selection of model, color, or style. Product selection may be limited to specific features and models.,

Recipients of sponsor product awards must fill out a Prize Claims Form at the end of the event. These forms will be provided.

13. **Taxes** — Competitors are responsible for all applicable taxes on both cash and merchandise awards. Failure to meet those obligations may result in disqualification from all future ULA events. All prize recipients whose cumulative total for the year adds up to \$600 or more must fill out and submit a substitute IRS Form W-9 including name, address, social security number, signature, and date. These are used to prepare IRS 1099 forms for distribution in January.

14. **Sale of Prizes** — No prizes won participating in ULA Events may be advertised or promoted for sale for a period of one full year. Violation of this rule will result in ineligibility for all future events and forfeiture of qualification status.

15. **Safety**

- A. During competition, every Competitor must have all required Coast Guard safety equipment, (e.g., whistle or other audible signal device, A Coast Guard-approved B-1 fire extinguisher, Coast Guard-approved, chest-type life preserver [PFD]).

B. *PFD Usage* — At all times while actively engaged in competition, except as described below (Rule 15.C. PFD Wear Exceptions), Competitor must wear a fastened USCG-certified vest-style PFD (personal flotation device) or life jacket. A belt-style PFD, even one that deploys as a vest, is not permitted during Competition. When an infraction, as described above, is verified by the Tournament Director, the Competitor is disqualified from participation in the Event.

C. *PFD Wear Exceptions* — Competitor assumes responsibility for all consequences of removing his PFD. Competitor may cease competition and remove the PFD while his watercraft is beached or docked, only if doing so creates no unsafe condition. Competitor must put on and securely fasten the PFD before going underway or resuming competition.

When finished changing his attire, Competitor must immediately put the PFD back on before going underway, fishing, or engaging in any other competition-related activity.

D. The Tournament Director has the right to postpone or cancel the start of an official tournament day because of adverse weather conditions or other factors that would jeopardize Competitors' safety. Tournament waters may also be restricted at any time because of bad weather.

E. In the event of weather emergencies that pose an imminent threat to Competitors, the Tournament Director may terminate Competition before the scheduled end-of-competition time. An Early Termination Announcement with an adjusted end-of-competition time will be broadcast to Competitors via email and group text messaging and will also be posted on the TMS site. The Announcement will also specify an adjusted report-in time and location. If safe to do so, upon receiving the Announcement, Competitor should make his way to the specified location at that time.

Competitor is required to stop fishing as soon as he receives the Early Termination Announcement. No photos of fish caught after the adjusted end-of-competition time may be submitted for scoring; however, to accommodate those seeking shelter immediately, Competitor has up to 15 minutes after the Adjusted End Time to submit a photo of any bass caught before the adjusted end-of-competition time/photo submission deadline.

F. In the event of an emergency situation, Competitor should call 911 first and then notify tournament officials as soon as possible.

G. Use of alcohol or drugs (other than those purchased over the counter or prescribed by a licensed physician) by any Competitor during an Event will not be tolerated and will be cause for automatic disqualification from this and all future ULA tournaments. No alcoholic beverages or other non-prescription stimulants or depressants shall be allowed in watercraft during competition days. Chemical substance addiction or abuse, conviction of a felony or other crimes involving moral turpitude, or other conduct reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition, and compliance with tournament rules, shall be grounds for rejecting any application for participation and/or for disqualification after circumstances are reviewed by ULA's Chief Operations Officer. Any disqualification, suspension from, or other disciplinary action regarding any tournament or fishing organization, shall be grounds for rejecting any application for participation in a ULA tournament, and/or disqualification from a ULA tournament, after circumstances are reviewed by the ULA Chief Operations Officer.

H. **Night Tournaments Are not allowed for any PWC fishing events.**

I. The ULA Tournament Director shall have *predetermined the availability* of cell phone or radio coverage to assure reasonable communications in the event of an emergency. [Note: All competitors should make sure their cell phone numbers are entered in the TMS and the Tournament Director should have a list of all competitors with cell phone numbers for texting or calls.]

J. The ULA Tournament Director shall *have on hand the contact information for emergency rescue and medical services* and *must maintain the ability to make contact at all times during the tournament.*

iii The governing authority, *as required by law or ordinance*, shall be notified of the tournament date and hours.

v. The Tournament Director shall have in place a system of accounting for the return of all participants. [Note: This includes not only an end-of-competition check-in but also a way for competitors who leave early to notify the ULA Tournament Director.]

16. Competitor Conduct — Competitors participating in any ULA sanctioned event must observe the applicable rules for the Competition and must conduct themselves at all times in a manner that reflects favorably on the sport of PWC Fishing, ULA, its members, officers or representatives, tournaments, or sponsors. Competitors are expected to follow high standards of sportsmanship, courtesy, integrity, safety, and conservation in support of the sport of PWC Fishing, especially when in the vicinity of non-Competitors who may be on or beside Eligible Water. Any Competitor who violates these principles, intentionally violates ULA Competition Rules or regulations (attempts to commit fraud) or behaves in ways that reflect unfavorably upon ULA efforts to promote fisheries conservation, clean waters and courtesy, may forfeit tournament winnings, face suspension from future ULA sanctioned events, be permanently banned from competition, or any combination thereof deemed appropriate by ULA.

17. Disputes and Appeals

A. If a Competitor wishes to dispute a rules violation penalty, a judge's scoring decision, a Tournament Director's decision or other action that materially affected the Competitor's ranking or prize eligibility, he must use the ULA Dispute & Appeal Form on the ULA Website <http://www.uplakeadventures.com/event> to submit a dispute within 24 hours (one full day) following completion of Event judging. The dispute must include the following:

- i. Event title, location, and date
- ii. Description or identification of penalty imposed, or condition being disputed
- iii. Reference to pertinent rule
- iv. Reason for dispute and requested action

Except for situations involving fraud or other law violation, any disputes submitted after the 24-hour dispute deadline will be reviewed without affecting the outcome of an event. No change in rank or reward will result from disputes submitted after the deadline. Only Competitors in the Event where the disputed action occurred may submit disputes. Disputes must be handled privately. All parties directly involved will be provided a copy of the dispute. The Tournament Director (for judge's rulings) or Chief Operating Officer (for Tournament Director rulings) will review the Competitor's claims, thoroughly investigate the disputed decision, and issue a ruling.

B. The Competitor who filed the dispute may appeal the dispute results. Appeals of dispute results must be presented to the ULA Chief Operations Officer (for Tournament Director's dispute rulings) or President (for COO's dispute rulings) using the ULA Dispute & Appeal Form within 24 hours from the time and date of ruling. An Appeals Processing Fee of \$100 must be paid to ULA through phone in with credit card at 435-772-5616. The ULA executive handling the appeal will impanel an appeals committee comprised of one ULA staff member not involved directly in directing or judging the Event and two ULA Associates who were not Competitors in the Event. Appeals hearings shall take place within seven (7) business days from the date of receipt of the written appeal, and all parties must make themselves available at prescribed time of hearing. The appeals committee will submit its findings and recommendations to the ULA Executive handling the appeal, whose decisions are final. If the final ruling is in the Competitor's favor and reverses or nullifies a dispute ruling, then the entire Appeal Processing Fee will be refunded; however, if the ruling stands, then the Fee is forfeited.

18. Public Comments

A. The favorable public reputation of ULA as a sanctioning organization in the sport of PWC Fishing, the integrity of its officials, and the reputation of its media channels are valuable assets and tangible benefits for ULA. Accordingly, it is an obligation of Competitors to refrain from comments in public forums and social media or to the news media that unreasonably attack or disparage the integrity of PWC Bass Fishing tournaments, tournament officials, sponsors, fellow members, fellow Competitors, or the ULA organization. Competitors are encouraged to express themselves and have the right to question the rules officials. Responsible expressions of legitimate disagreement with ULA policies are encouraged, as opposed to attacks upon the integrity of the rules or officials. However, public comments that a Competitor knows, or should reasonably know, will harm the reputation of PWC Bass Fishing, ULA officials, ULA associates or sponsors, may result in disciplinary action.

B. Sponsor contributions will not be devalued by disputes or disagreements in public forums or social media platforms.

C. Publicly disputing a judge's ruling or any dispute or appeal decision by a ULA Tournament Director, Series Director or ULA Executive will result in participant receiving a warning for a first offense. A repeat of the offense will result in disciplinary action up to disqualification from the current Event and permanent termination of eligibility for future ULA Events, even if previously qualified. This provision is not intended to discourage legitimate disputes but to ensure that a fair and unbiased approach is used, and the approved challenge and appeals processes are followed in determining the best possible outcome.

19. Unavailability and Force Majeure — ULA will use reasonable efforts to hold the Event; however, under no circumstances will ULA be held responsible for unavailability caused by circumstances beyond ULA's control, including flood, fire, hurricanes, earthquakes or other "acts of God," acts of government, civil unrest, acts of terror, strikes or labor problems nor will any Event Registration be cancelled, altered or amended once the Event has commenced other than on the basis of circumstances beyond ULAs reasonable control.

20. Compliance with Laws — This Agreement shall be governed by the laws of the State of Utah. All rights and obligations of the ULA and the Competitor under this Agreement are subject to all applicable federal, state, and local laws and regulations. These terms and conditions shall be deemed revised to conform to applicable statutes, rules, and regulations. ULA may modify the terms and conditions stated herein at any time in its sole and absolute discretion. Competitor shall be bound by the modified Agreement and agree that no other modifications shall be enforceable. This Agreement constitutes the entire Agreement between the parties and supersedes all prior agreements between the parties, whether written or oral. The invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of any other provision. The waiver of any breach shall not constitute a waiver of any subsequent breach.

21. Waivers and Releases

A. Name and Likeness Release — By registering for this PWC Bass Fishing Event, the Competitor grants to Up Lake Adventures, LLC. and BRP Sea-Doo the right to use all photographs, likenesses, stories, accounts, details of Competitor contributions, exploits, interviews, bloopers, and information pertinent to the PWC Bass Fishing Event, as well as any video footage, photographs gathered at the Event, for marketing and promotional purposes. This release is granted without expectation for additional compensation upon submission of Event Registration.

B. Waiver and Release of Liability — As a condition of participation in a Competition, and by virtue of registering for the Competition, each Competitor agrees to accept the terms and condition of the Up Lake Adventures Waiver and Release of Liability Agreement (below). This Agreement absolves Up Lake Adventures, LLC, its officers, staff, and volunteers from responsibility and threat of litigation in the case of injury, loss, or death sustained by a Competitor in the Event. Registrants under the age of 18 must have their waiver/release form signed by the parent or adult guardian who will accompany them throughout competition.
